MAKE SURE
IT'S RAK

You have an exceptional story to tell.
Your food is your voice. Our tabletop solutions are the medium.

RAK Porcelain is distinguishing.

We craft, manufacture, and supply exquisite porcelain tableware for the international hotels, restaurants, and catering (HoReCa) industry. Our core divisions are based in Luxembourg and UAE, forming two distinct hubs. Our robust distribution network spans five continents and 165 countries. Our showrooms, conveniently located in New York, Chicago, and Imperial, are creative spaces where we partner to help bring your creations to life. When you find what you love, we are ready to ship immediately from our extensive, 100,000-square-foot warehouse facility near our RAK USA headquarters in Pennsylvania.

Being one of the fastest-growing porcelain tableware enterprises, our products serve as the canvas for chef creativity in more than 40,000 starred hotels, international airlines, premium cruise lines, and stadiums.

RAK Porcelain USA – Setting the new standard in tabletop.

“If you are not the lead dog, the view never changes. It’s impossible to beat someone at their own game. That’s why it’s called ‘their game’. Instead, build your own path. If you make a good enough path, others will follow. Now you have companies chasing your brand, instead of what was the brand standard.”

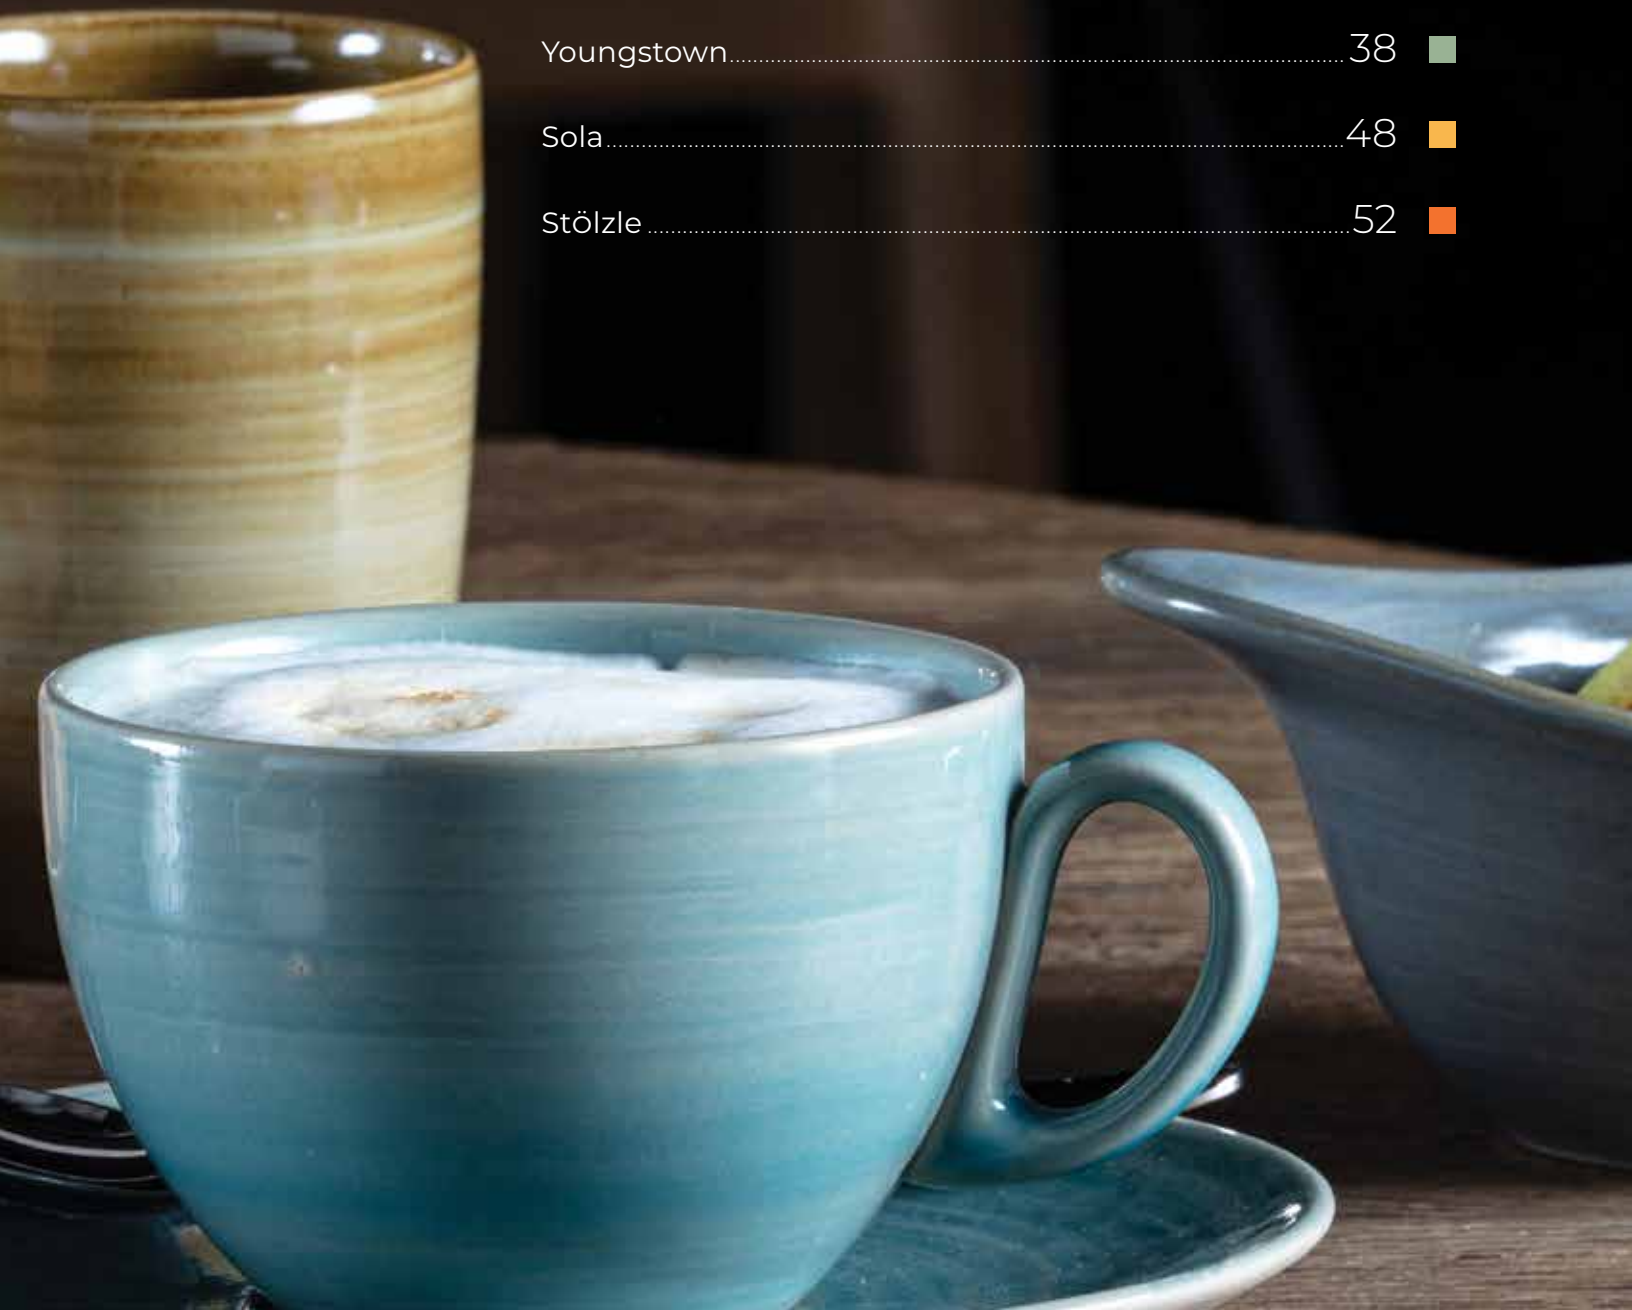

John Marino, President & CEO, RAK Porcelain USA

Our collection of tabletop is unparalleled. We are redefining and elevating the dining experience, making it seamless, relaxing, and delightful. With our modernized manufacturing processes, we are strategically positioned to raise the bar of quality and design. With our beautifully crafted porcelain dinnerware, stylish flatware from **SOLA of The Netherlands**, and the most compelling crystalline in the market, **Stölzle, RAK Porcelain USA** is the one-stop tabletop solution for hospitality professionals in search of excellence and innovation. We are setting the new standard in tabletop.
